

CANCER PREVENTION TRAVEL GRANTS

for young scientists

The European Cancer Prevention organization (ECP) is extremely pleased to announce the creation of a unique resource of financial support for young cancer researchers who need to travel in order to further develop their expertise.

Travel grants will be made available for active scientists with a maximum of 5 years postgraduate that intend to choose a career in cancer prevention. The purpose of the travel is to enlarge knowledge from established research centers, to initiate multicenter projects, or to present data at international cancer or life sciences conferences.

The relevant more detailed information and application form can be downloaded from our website: www.ecpo.org or by request sabine.janssens@ecprevention.org.

Complete applications should be submitted for review at least 8 weeks (56 days) before the travel date to:

Sabine.janssens@ecprevention.org

Feedback on will be given within 3 weeks post submission.

More info can be obtained from Prof. Koen Kas, responsible for the Travel Grants program of ECP.
